

Learning Outside 2021 – 2022
Daily Health Screening Assessment, Forest Kindergarten

Prior to coming to Forest K *each day*, families must complete a daily health screening assessment at home. If you answer “YES” to any of the questions below regarding either your child’s health or the health of anyone else in your household, your child cannot attend that day and you should contact your health care professional for their recommended next steps.

1. Has your child, or anyone in your household, had any of the following symptoms in the last 14 days?

- Fever: Yes ___ No ___ Child’s temperature today: ____

Youngsters with a measured temperature of 100.4 °F or higher cannot attend.

- Cough (new, not related to allergies): Yes ___ No ___
- Shortness of breath or difficulty breathing: Yes ___ No ___
- Chills or repeated shaking with chills: Yes ___ No ___
- Muscle or body aches: Yes ___ No ___
- Headache: Yes ___ No ___
- Sore Throat: Yes ___ No ___
- New loss of taste or smell: Yes ___ No ___
- Congestion or runny nose: Yes ___ No ___
- Fatigue: Yes ___ No ___
- Nausea, vomiting or diarrhea: Yes ___ No ___

2. In the last 14 days has your child or anyone in your household:

- Been in contact with someone who was diagnosed with COVID-19: Yes ___ No ___
- Been in close contact with someone who had COVID-19 symptoms: Yes ___ No ___
- Traveled internationally or taken a cruise Yes ___ No ___

We rely on our Learning Outside families to do everything they can to keep everyone in our Forest Kindergarten healthy and safe by completing this Daily Health Assessment at home prior to coming each day. Thank you for supporting our Learning Outside community!
